

# PORTABLE WASHER: SAVE \$\$ and HASSLES

## Why Use the Wonder Wash?

- Washes 5-lb. load super clean in **just 1 - 2 minutes!**
- Patented pressurized system forces detergent through fabric for a quick, efficient, economical and easy wash.
- Ideal for apartment dwellers, single persons, campers, and homemakers with small frequent loads like hand washables, diapers, and so on.
- Excellent for delicates such as woolens, silks, knitted dresses, and cashmere garments.
- No trips to the Laundromat during winter!
- Great for dyeing clothing or cloth items.

## Economical and Environmental

- Use a fraction of the water and detergent you use now—90% less than conventional washing machines—even less than hand washing!
- Requires **NO** electricity.
- Wonder Wash pays for itself after 12 weeks.
- Avoid paying high prices at Laundromats, or using a diaper service. Save at least \$150-250 per year.
- Requires **NO** maintenance.
- Works superbly with environmentally-friendly cleaning agents.
- Produces almost no lint.

## Campers / RV Owners

- Portable, lightweight, compact - fits easily into car trunk.
- Requires minimal amounts of water.
- Washes loads clean in only 1 - 2 minutes.
- Sturdy, weather-resistant, and rust-proof.

## How Does It Work?

When you put warm or hot water into the drum and seal it, the air inside absorbs the heat from the water and expands (eg, like a hot air balloon). By turning the handle and spinning the drum, this creates pressure inside which forces the detergent (diluted into the water) through the porous fabrics about 100 times faster than you could by hand or machine.

## About the Company:

The Laundry Alternative is committed to providing you with innovative, cost-saving, environmentally-friendly products that work. Founded in 1999 by Corey K. Tournet, the company has grown rapidly from its humble beginnings. Despite the economic slowdown—or perhaps, because of it—we have attained a 900% increase in sales over the past year!
